

# \$700 000 000 000

This is the text of Mark Twain's *Tom Sawyer*. With the text set to this size (2 pt) in Arial and printed at 300 dpi, each letter has 16 pixels. If the book was sold for \$700 000 000 000 then with each letter you could buy 16 houses like the one in the picture
